

STILL ANOTHER NORFOLK ROAD

Two Hundred Miles Down
the Carolina
Coast.

FIFTEEN MILLION CAPITAL

Will be Known as the Nor-
folk and Caro-
lina.

(Special to The Times-Dispatch.)
NORFOLK, VA., May 23.—Norfolk is to have still another railroad; it will be known as the Norfolk and Carolina Coast Railroad Company. It will connect this city by two hundred miles of standard gauge track with a rich, undeveloped timber and agricultural country, running to Elizabeth City, Edenton, Belhaven, and down through Beaufort, Pamlico, Craven and Currituck counties, with branches through Hyde and Tyrrell, to a terminus at Beaufort, N. C. The financing of the road is practically accomplished, the subscribers being among the leading financiers of New York, Chicago and Pennsylvania.

The new company is capitalized at \$15,000,000, one-half in five per cent. gold mortgage bonds and one-half in capital stock. The syndicate managers of the enterprise are Rudolph Kleybolte and Company, of New York.

STUART PLEASED.
Marshal J. E. B. Stuart is pleased at the change which shunts him back to Newport News, and so are all of the officers of the United States court here. Mr. Stuart was not familiar with the courts, the duties and the conditions here, and consequently there was friction from the start, because he was inclined to make changes in the manner of transacting business and to introduce improvements of his own invention, which did not accord with the practices of the courts and the clerks, or with the office of the marshal. Captain Stuart returned from Washington this morning. He says he was sent for the President and consulted by the latter as to his desires in the matter before the executive reached any conclusion in the matter. The salary of the marshal here is \$3,500; the salary of the collector of Newport News is \$2,000.

HELD FOR MURDER.
Cato Williams, colored, was held for murder to-day on the verdict of the coroner's jury. He is accused of killing Ernest Graham, alias John Johnson, colored, of Richmond. The evidence was that the men quarreled about a debt of ten cents, which the victim had contracted at the cook shop of the accused in the suburb of Huntersville. There was an effort by the defense to prove that the dead man had a pistol and that he had made threats but they were not conclusive. The jury found a verdict and the accused will be tried. The accused is sixty-six years of age, while the victim is but twenty-two. One of the witnesses of the quarrel declares that Graham said to Williams, as the latter approached him: "You would not kill me for ten cents?" Williams is in the Norfolk county jail.

OVER 300 CONVERSIONS.
Within two months the eight Baptist churches here have received 350 new members. There was an agreement among the Baptist churches that two of them should hold services all of the time during the two months, so that there should be no time when there were no special meetings. No evangelist was employed, but the preaching was done by the ministers of the eight churches, without any previous announcement of the name of the minister who was to preach at any special service.

FOR DRAWBRIDGES.

Tidewater Desires to Cross the
Southern and Eastern Branches.
(Special to The Times-Dispatch.)
NORFOLK, VA., May 23.—B. T. Elmore, superintendent of the Tidewater Railway, applied to the harbor commissioners to-day for permission to build draw-bridges over the southern and the eastern branches of the Elizabeth River. Plans of the bridges and of the property to be acquired for the approaches are submitted at the same time.

Captain H. H. Simonson, of New York, arrived here to-day to settle the injunction proceedings against Captain Heather, of the local band of the Salvation Army by moving the headquarters from east Main Street, where the residents have objected to the noise.

There was a rule for contempt pending in the court of Law and Chancery and rather than defy the court further, Captain Simonson proposed to evacuate. The drum beating and tambourine playing were enjoined by the court as nuisances.

INSURANCE MEN.

(Special to The Times-Dispatch.)
NEWPORT NEWS, VA., May 23.—The annual meeting of the Southeastern Tariff Association convened in the Chamberlain Hotel at Old Point Comfort to-day. About 150 delegates, representing the most important fire insurance companies of the country, are in attendance. To-day's session was devoted to reports of officers and committees. The annual election of officers is scheduled for Thursday morning.

UNCOMMON WISDOM

Some Richmond People
Profit by Neighbor's
Experience.

It's a wise man who profits by the experience of his friends and neighbors. Here is a chance to do it, and every man, woman or child in Richmond who knows the misery of a bad back, the nervousness and restlessness caused by urinary complaint, or the annoyance of urinary disorders, will show uncommon wisdom to profit by this citizen's advice.

Mrs. W. J. Wyatt, wife of W. J. Wyatt, conductor on the L. C. & R. R., residence 400 West Marshall Street, says: "A dull aching in the small of the back was so unendurable sometimes that I often heartily wished for some means to remove it. This led me, after reading advertisements about Doan's Kidney Pills and hearing people discussing the remedy, to go to Owens and Minor's drug store for a box. I knew after a dose or two the treatment was acting directly upon my kidneys and when I had completed it the aching ceased. I have recommended Doan's Kidney Pills to several of my friends, all of whom consider them a valuable aid during attacks of kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

EDUCATION IN CHESTERFIELD

Professors Winston and Woodward Speak in the
Courthouse.

(Special to The Times-Dispatch.)
CHESTERFIELD, VA., May 23.—The "day meeting" of the Co-operative Educational Commission at the courthouse to-day afforded to perhaps a hundred people an enjoyable and profitable occasion. The meeting was not unlike in many respects the teachers' meetings held here last fall and in the preceding year, in their general up-to-date educational movement in the county, but the immediate results of to-day's meeting were of a more practical nature.

Professors Charles H. Winston and F. C. Woodward, of Richmond College, were the speakers of the morning, pointing out the needs of the people, and those in the rural districts in particular, of zealous work for intellectual improvement.

Assisted in the afternoon by Mrs. Mumford and Mrs. Dashiell, of Richmond, a county school improvement league was organized and a promising membership enrolled.

The following officers were elected: president, Miss Glenna Pinchbeck; vice-president, Mr. Douglas Burfoot; secretary, Julian A. Sells, and treasurer, Rev. T. J. Nettles. The first meeting of the newly organized society will be held at the annual teachers' meeting later on.

Charterfield's showing in the public school line compares favorably with the average county in the State. The county has sixty odd school buildings, and about ninety school teachers, two-thirds of whom are white. The school fund, State and county, is in excess of twenty thousand dollars per year. There are only two male teachers in the county schools.

Rev. Dr. Evans, of Monumental Church, who was expected here to-day, was unable to attend.

TAZEWELL MEETING.

Fine Speeches by Educators and
Candidates.
(Special to The Times-Dispatch.)
TAZEWELL, VA., May 23.—Rev. Mr. Painter, of Roanoke College; Mr. J. Alston Cabell, candidate for Lieutenant-Governor, and Rev. H. M. Fugate, of Tazewell, made fine addresses here to-day at the educational rally. Lieutenant-Governor Williams was present and made a short address. All of the speeches were of a high order and gave great satisfaction.

Interesting Meeting.

(Special to The Times-Dispatch.)
FREDRICKSBURG, VA., May 23.—A large crowd attended the educational rally at Orange Courthouse yesterday, and much interest was taken in the proceedings, the addresses being listened to with close attention. Rev. W. H. Camper presided, and the speakers were F. T. West, of Louisa; George H. Gulley, of Rockingham; C. E. Brier, of the Miller Manual School, of Albemarle.

J. H. Bleack, a former member of the Legislature, has entered the contest for the position of superintendent of schools for Spotsylvania county. There are two other candidates, L. M. Smith, the present incumbent, and Dr. T. W. Dew.

Naill-Foster.

(Special to The Times-Dispatch.)
STATION, VA., May 23.—A quiet but pretty wedding took place at 10 o'clock this morning at the residence of Mr. James Carrington Foster, when his sister, Miss Eleanor Foster, was married to Mr. David H. Naill, of this city. The ceremony was performed by Rev. W. Q. Hulten, of Immanuel Episcopal Church.

Mr. and Mrs. Naill left for a Northern wedding trip, and after June 24 will be at home at Walnut Grove, near this city.

THE RIVERSIDE COUNTRY CLUB

Add Horse Racing and Clay
Pigeon Shooting to
Pleasures.

MAN RUN OVER BY A DRAY

New Virginia National Bank to
Have a Fine Build-
ing.

(Special to The Times-Dispatch.)
PETERSBURG, VA., May 23.—Horse racing and clay pigeon shooting are the latest additions to the attractions of the Riverside Country Club, which is now quite the center of social interest in this community. The moving spirits of the club are ever devising events of special interest for every Saturday, and a series of horse races with special features is the programme for the next gala day.

The star event will probably be the point to point race, over a two and a half mile course, with a number of jumps. This race will be open only to horses that have been hunted this season with the club hounds, and is expected to be a pretty contest. The first prize will be a hunting coat in the club colors, to be presented by the club president, Mr. Charles Hall Davis.

HURDLE RACE.
The hurdle race will be unique in its requirement that riders carry a thread the length of the course over several jumps, then dismount and hand the thread to a lady, with whose threaded needle they must return to the starting point.

Messrs. Ashton Gray and J. P. W. Ruffin are the riding committee in charge of the races.

Clay pigeon shooting is another sport now much in vogue at the Country Club. A number of marksmen are practicing daily, and it is expected that matches with other clubs will be arranged as soon as a good team is secured.

RUN OVER BY DRAV.
By falling under the wheels of a heavy truck, which passed over his body, a colored man was badly hurt on Sycamore Street this morning. The man had been employed by the Totty Transfer Company to assist in moving a piano, and was sitting on the truck when the wheels were caught in the electric car tracks while turning a corner, throwing the negro under the vehicle.

Plans and drawings are now being made for extensive improvements to the building of the new Virginia National Bank, which is quartered with the Petersburg Banking and Trust Company. The second floor of the building, now occupied by offices, is to be removed, a handsome apparatus installed, Sycamore Street will have still another handsome bank building.

MARTIN IN DANVILLE.

Discusses Freight Rates—Judge
Mann to Speak Saturday.

(Special to The Times-Dispatch.)
DANVILLE, VA., May 23.—Senator Thomas S. Martin was tendered an informal reception by the citizens of this city this morning in the rooms of the Danville Commercial Association, at which time the Senator made an address, stating his position on the question of freight rates, a memorial on which question was recently presented by the Senate Committee on Interstate Commerce, and is now pending.

The city was promised the most earnest effort of Senator Martin in obtaining legislation looking to relief from excessive and exorbitant freight charges. Senator Martin stated it as his belief that the next session of the Congress would witness legislation in this direction.

The meeting was non-political, Senator Martin having come simply to discuss the matter of freight rates and to greet his friends. The Senator was met at the station by a committee from the association, and was the guest of the association while here. He left on the afternoon train for Martinsville, where he has an engagement to speak to-night.

It was announced here to-night that Judge William Hodges Mann, candidate for the non-partisan office of Governor of Virginia at the Democratic ticket, will speak in this city Saturday night. The speaking will take place in the municipal hall, the Academy of Music having been previously secured by a theatrical company.

SECRET ENEMY.

Mrs. Short's House Burned and
Tongue of Horse Cut Out.

(Special to The Times-Dispatch.)
WYTHEVILLE, VA., May 23.—Some miscreant cut out the tongue of Mrs. Short's horse last week. A few weeks ago Mrs. Short's house was burned, and she was thought to have been accidentally, though the origin was unknown. Now it seems that there is some one bearing malice against her, and that the injury to the horse may have proceeded from the same source.

Mrs. Short is a worthy and amiable young lady. The groom is a popular young clerk in the National Valley Bank here.

In the Spring you need a Tonic

There is hardly a man, woman or child who does not need a tonic in the Spring. In the Winter time we are forced to neglect ourselves. We cannot live in the open air enough. We cannot take enough exercise. The nerves naturally grow tired and sluggish, and that is why they need a tonic.

No prescription, no treatment, has ever been formulated that gives the marvelously quick, positive, direct results that Paine's Celery Compound does.

It has stood the test of 18 years' constant use. Its formula has been sent to every registered physician in the United States; it is constantly prescribed by them. They know that it is the prescription of one of the most famous physicians known in the annals of American medicine—Prof. E. E. Phelps, of Dartmouth University.

One of thousands upon thousands of cases.

"When I first began to use Paine's Celery Compound I was all run down from overwork, and felt that life had little to offer for me. I had used so many so-called tonics without getting any benefit that I was very skeptical when a friend advised Paine's Celery Compound. However, I began using it to please her, and found that in a few days I was feeling much better. At the end of two months I was once more a well woman, able to assume my duties with renewed vigor and strength. I feel that words are weak in describing what your medicine did for me. I shall certainly recommend it most highly. Very truly yours."—Miss Florence Fields, 209 E. Erie St., Chicago, Ill., Chaplain Royal Templars of Temperance.

Try one bottle—see how much better you feel

PAIN'S CELERY COMPOUND

The celebrated nerve vitalizer and tonic

In every community there are druggists who do not seem to realize that it is actually dishonest to substitute an imitation for the genuine Paine's Celery Compound.

Have you ever asked a druggist for an article, and had him bring you some other unknown article and tell you it was just as good or better? He was trying to deceive you. He was trying to substitute an unknown article for a known product because he would make a few cents more out of your innocence. In his mind the question of real merit did not enter into the transaction—but the question of a few cents did.

When you ask for Paine's Celery Compound see that you get the real Paine's Celery Compound, with the picture of the bunch of celery on the bottle.

LARGE CROWD HEARS SENATOR MARTIN

Given an Ovation by the Mar-
tinsville Demo-
crats.

(Special to The Times-Dispatch.)
MARTINSVILLE, VA., May 23.—Senator Martin received a splendid ovation here to-night. Fully two thousand people assembled at Banner Warehouse to hear him speak, and about three hundred ladies were in the audience. He made a most effective speech of an hour and a half, which was listened to with the greatest interest. His replies to Governor Montague's criticisms elicited the most liberal applause.

His references to Montague's attitude with reference to the settlement of Virginia's claim against the Federal government were particularly effective. Senator Martin made a pleasing impression upon the people personally, and as a forceful speaker.

Martinsville has an active Montague following, and the town will not give Martin over forty or fifty majority. The county will go for Martin by at least three hundred, probably more.

It was conceded to-night that Senator Martin's audience was the largest that ever assembled here at night to hear a political speech.
